VIGANÓ
OFFICE CHAIRS AND MORE

In Brianza, cuore pulsante del design industriale italiano, dal 1961, Viganò & C. produce elementi d'arredo per l'ufficio ed il contract. "Il nostro obiettivo è la soddisfazione del cliente, per il quale sviluppiamo arredi dal design essenziale, in cui il comfort e l'attenzione per il dettaglio sono imprescindibili".

Una progettazione spesso tailor-made, allieva della più alta tradizione del manifatturiero industriale italiano, dove la ricerca minuziosa dei materiali e delle più avanzate tecnologie donano al fruitore un'esperienza di seduta a tutto tondo.

Prodotti realizzati con attenzione sartoriale grazie ad un corretto bilanciamento estetico ed ergonomico.

Prodotti che rispondono alle più severe normative internazionali senza scendere a compromessi. Oggetti che accompagnano i momenti fondamentali della nostra vita.

Since 1961, Viganò & C. has been producing furniture for the office and contract sector, in Brianza, the beating heart of Italian industrial design. "Customer satisfaction is our aim, that's why we create products distinguished by timeless design where comfort and passion for detail are essential".

A design often tailor-made, originating from the highest tradition of Italian industrial manufacturing, where the meticulous research of materials and the most advanced technologies provide an all-round sitting experience to the user.

Products realized with sartorial attention thanks to a state of the art balance between aesthetic and ergonomics.

Products that meet the most stringent international standards without compromising. Objects that accompany the greatest moments of our life.
